

Create a lasting impression...

Word & Phrase Stones

Our Word & Phrase Stones have an infinite simplicity yet project a timeless elegance which transforms them into a unique keepsake that will be treasured forever.

Each stone is lovingly hand carved on a pocket-sized stone between 4 - 9cm across. Word Stones look spectacular incorporated into home décor to convey subtle theme or point of personal affirmation.

Whether engraved with the kid's names, motivational word or something of special meaning our Word & Phrase Stones make a memorable and ever lasting gift.

Word Stones feature up to two words, while Phrase Stones as the name suggests have a few more words. A variety of fonts are available with the engraved lettering finished in black as standard (see reverse for examples). Other colours and font styles are available for an additional fee - contact us for a quote.

There is no better way to create a lasting impression than a Word or Phrase Stone from Talking Stones.
